SSR Workshop: Academic Social Sciences Today

Room Aula

27th October 2022

Chair: Bogdan Voicu, Research Institute for Quality of Life, Romanian Academy

16:30-18:00

In a reflexive effort, SSR initiated in 2021 a websurvey among Romanian sociologists, anthropologists, social workers, and political scientists that are active in the academia. We encourage presenters to include the resulting database in their analyses. Data is available starting mid-April 2022 on the [SSR website](#). Nevertheless, the section welcomes presentations based on any other data and/or methodological approach, with the explicit objective to provide a forum where the current state of social sciences can be subject to debate.
